

A Night w E4 Youth Sponsorship Packages

About the Event

“A Night w E4 Youth” showcases the best of more than 150 high school students participating in *Get Creative Enrichment Clubs* across Central Texas. The night will include opportunities for creative and technology industry leaders to interact with program participants and enjoy a series of presentations and performances featuring VR/Immersive media, visual arts, film, music and surprise guests. We'll recognize our most outstanding students with some special awards as well as E4 Youth's community volunteers and partners.

Your financial support will underwrite the cost of this important recognition event for our creative youth while helping us launch our annual campaign. In 2018, E4 Youth has set a goal to provide over 1,000 Austin area teens with employability skills and hands-on enrichment opportunities.

When: Wednesday, May 23rd 6:30 - 9 p.m.

Where: Google Fiber Space (201 Colorado St. Austin, TX 78701)
